

New Jersey Top 100

Back again for the 2016-17 season!!!! EZ Tournament Services will again be running the New Jersey Top 100. The purpose of this is to recognize these young wrestlers that work very hard and deserve to be recognized for it. I would also like to say that this is no judge of how great these young men will be when they get to High School because it is a totally different level up there.

ANY TOURNAMENTS THAT ARE INTERESTED IN BEING TOP 100 TOURNAMENTS PLEASE CONTACT ME AT THE EMAIL BELOW AS SOON AS POSSIBLE!!!

Rules:

- Any wrestler that is wrestling in the 15 and under age divisions is eligible for this achievement.
- All tournaments that are eligible will have a good majority of NJ wrestlers or larger tournaments. They will take place from the beginning of November until Mid-May.
- Only wrestlers residing in New Jersey are eligible for this achievement.
- Only one score per tournament will be allowed (highest placement points).
- Any tournament that may be cancelled or does not provide me with results will not be counted. All open tournaments that I run will be counted into this running (novice divisions excluded).
- Points will be awarded for the following placements: 1st – 20 pts, 2nd – 15 pts, 3rd – 10 pts, 4th – 5 pts. Placement points for national tournaments will be for 1st-8th starting at 40 pts and down.
- The top 15 wrestlers from the top 100 list will receive T-shirts provided by EZ. Any other wrestlers that would like a shirt, the cost will be determined after shirts are designed to cover the shirt and shipping and handling. The shirts will have a logo design on the front and the back will list the top 100 wrestlers.

In case of any family, medical, or financial emergencies that would force the cancellation of the 2016-2017 top 100 list, EZ Tournament Services or Adam Polly can not be held responsible for any costs incurred while traveling to and from said tournaments, or costs incurred while participating before, during, and after said tournaments. EZ Tournament Services or Adam Polly also can not be held responsible in case of any injury incurred while traveling to and from said tournaments, or while participating before, during, and after, with or in said tournaments, in any event.
