

2009 Raritan Team Duals

The Championship Match between Hunterdon Central & Burlington Twp was decided on a good old fashion game of Rock, Paper, Scissor. The result was Burlington Twp wining the game 9-5 over Hunterdon Central. Both teams decided they did not want to wrestle after already getting in 4 dual meets for the tournament.

In 15 years of wrestling I have never seen anything decided like this but so be it, congratulations Burlington Twp.
