

PA Super 32 Early Entry @ Muhlenberg College

Top 4 places in **Boys' High School division only** are eligible for EARLY ENTRY into the Super 32.

Here's how Boys' High School Early Entry Works:

- Top 4 at each weight
- Early Registration will open (TBA)-Early Registration will close (TBA)
- You must register during this time window or you will lose your preferred status and will have to wait until regular registration opens
- **IMPORTANT TO NOTE:** these tournaments enable you to register early. They do not guarantee your entry into the tournament. If you do not take advantage of the early registration opportunity, you will have to wait and register during regular registration, and you might miss the entry cut off.
